

What is a School-Parent Compact?

A *School Parent Compact* is an agreement that parents, students, and teachers develop together. It explains how parents and teachers work together to make sure all our students reach grade level standards.

Our School-Parent Compact for academic achievement is a joint effort, developed by parents, teachers, and students.

Meetings are held each year to review the compact and make changes based on student needs.

Parents are welcome to contribute comments at any time.
